

Sexed Female Embryos

The cow above is awe inspiring Georgia 264, one of the best cows in the US today; her first son has made it back into service with ABS. We have sexed female embryos by “Image Maker” from Georgia 264 here in the UK

We have an ever changing list of frozen sexed embryos ready to go and can contract cows to suit your breeding goals

Whatever your budget or number required please contact us to discuss your requirements.
